Parents Orientation Press Release

' A parent is a teacher at home and a teacher is a parent in school and the child is the centre of our universe.'

Under the able guidance of the worthy Director, Shivalik Public Schools, Mr D S Bedi , an Orientation Programme was organized for the parents of XI and XII students. The aim was to familiarize the parents, 'as partners in progress' with the curriculum, rules and regulations of the school, teaching methodologies and the co-curricular activities, The parents were briefed about the rules and regulations of the school. Later, the teachers gave an overview of the various subjects like English, Math, Biology, Physics, Physical Education and Chemistry and not to forget the co-scholastic activities which gave them an assurance that the curriculum involves self-directed, hands-on learning activities which not only

give vent to their creative talents and energies but also help in their all-round development of the child.

The orientation programme proved to be a sincere effort made by the school in educating the parents to look after and guide their children in a proper manner. It also helped in evolving a common teaching strategy and helped the parents in identifying suitable follow up methods to reinforce the learning process of their children.

It was followed by a session taken by the school Counsellor, who guided the parents about various principles involved in the teaching of life skills. They were also made aware about guidance related to their adolescent age.

The Principal of the school Ms Anupkiran Kaur, in her address to the parents, asserted that a student's progress in any field in school is not possible without the cooperative efforts of the teachers and the parents.

Overall, it was a fruitful meeting and the parents were in high spirits after attending the orientation programme. They were equally delighted like the teachers and they parted with an assurance in their minds of a secured environment for each young mind.
