

WORKSHOP ON NEW EVALUATION SYSTEM

A workshop on new evaluation system was organized by S.Chand to introduce the Maths, Science and SST teachers to the new techniques of evaluation system. It was very fruitful as it introduced the new tools and ways of assessing the students. The need of the hour is to explore the hidden capability of the students. To teach the students of 21st century, we need to empower ourselves with 21st century techniques. The representative of S.Chand laid stress on preparing the question papers effectively, maximum use of smart class modules etc.
