

**SHIVALIK PUBLIC SCHOOL, S.S.T. NAGAR, PATIALA**  
**PRESS RELEASE FOR CELEBRATIONS OF WORLD**  
**EARTH DAY HELD ON 22<sup>ND</sup> APRIL '15**

For making the students aware about importance of our mother earth, a function was organized at Shivalik Public School, Patiala on 22<sup>nd</sup> April 2015. The celebration aimed at emphasizing the ways in which man is dependent on the earth and natural resources; and the ways in which we are destroying it. Among the various issues covered, the menace created by polythene bags was the most informative as the students presented their views through a skit on how using polythene bags will lead to different environmental problems. Other performances included speeches, poem recitation etc. Class wise quiz was also conducted by the science and E.V.S. teachers. The junior wing also contributed in an impressive and creative manner by conducting an activity based on conveying the message to save the earth.
