

DATED- 28/07/2016

SHIVALIK PUBLIC SCHOOL, PATIALA

**PRESS RELEASE FOR MATHEMATICS AND E.V.S. EXHIBITION
CONDUCTED ON 27TH- JULY'16**

With a united effort of teachers and students, exhibition on Mathematics and E.V.S. was conducted at Shivalik Public School, Patiala on 27th- July'16. Students participated with great zeal and enthusiasm. Including both working and static models, the exhibition focused on making students aware about the importance of the subjects and their application in our daily lives. It also helped the participants in practicing the team work and gaining confidence through explanation of the concepts used by them in the models. Laudable Madam Principal Mrs. Bhupinder Kaur Bhamra presided over the event and cherished the students with her precious words of advice and motivation. Keenly presenting their work before the staff members and other students, the participants showcased their deep interest in the subjects. Overall, the exhibition was a success as the objectives of learning by sharing and doing were accomplished to their fullest.
