SHIVALIK PUBLIC SCHOOL, PATIALA

PRESS RELEASE FOR SCIENCE EXHIBITION CONDUCTED ON 26TH - JULY'16

To celebrate World Nature Conservation Day, a Science Exhibition was conducted at Shivalik Public School, Patiala by the students of classes VI to VIII. Participating with great zeal and enthusiasm, the students showed great scientific temperament. This was proven with the number of entries reaching to a count of 70. The main motive of exhibition was to encourage conservation of fossil fuels and switch ourselves towards inexhaustible resources of energy. Demonstrations and explanations were given by the participants and the spectators including teachers were greatly impressed by their presentation. Feedback was also taken up for any scope of further improvement. The students were benefitted through sharing and exchanging of innovative ideas. Most importantly, the application of these models in our daily life was presented and it filled all the students with zeal and enthusiasm. According to the indicators, judgment was done and 18 best entries were selected. Madam Principal, Mrs. Bhupinder Kaur Bhamra significantly appreciated joint efforts of students and teachers. Overall, it was a knowledgeable and informative day for everyone. It provided a platform for budding scientists to express their talent and gain confidence.
