

Shivalik Public School Hosts Professional Development Training Program

Shivalik Public School organized an Orientation Program for teachers from all the branches of Shivalik Public School. Dr. Gurkiranjeet Nalwa Principal, Shivalik Public School, Chandigarh, Dr. Anupkiran Kaur, Principal, Shivalik Public School, Mohali, Dr. Rupinder Brar, Principal, Shivalik Public School, Sector-78, Mohali, Ms. Bhupinder Kaur Bhamra, Principal, Shivalik Public School, Patiala, Dr. Jyoti Soni, Principal, Shivalik Institute of Education and Research graced the occasion. This program provided an opportunity to the members to come together, exchange knowledge, share experiences, and explore the transformative vision of education outlined in the National Education Policy (NEP) 2020.

The first day of the INSET Programme was dedicated to Art Integrated and Subject Enrichment activities. The day commenced with yoga and exercises. Teachers from various disciplines demonstrated innovative ways to incorporate activities into routine academics. A section of the day focused on Cybersecurity and Digital Technology for Subject Enrichment.

Day two of the programme emphasized Experiential Learning, Joyful Learning, and Storytelling based on Toy-Based Pedagogy, referred to as 'Jadui Pitara.' A seminar on the "Use of AI Tools" for educators was conducted by resource person Ravjot Singh. Various AI tools such as Gemini, ChatGPT, Rytr, Gamma, Yoodu, and Quizizz were introduced during the session.

Day three concentrated on 21st-century life skills, critical thinking exercises, and scientific innovation. An exceedingly interactive session was led by personality trainer Mr. Gaurav Bali, emphasizing the significance of innovative teaching methodologies for contemporary learners.

Day four focused on classroom management techniques, Blended learning, Competency Based Education and Importance of Maintaining Portfolios. Ravjot Singh, a resource person from Narayana Institute, delivered a captivating seminar on "The Role of a Teacher in a Student's Life." Additionally, Ms. Kiran, a renowned nutritionist, shared crucial insights on adopting a healthy lifestyle and underscored the benefits of millets and Ayurveda.

These events provided a comprehensive platform for educators to delve into innovative teaching methodologies and exchange pioneering ideas, thereby equipping them with cutting-edge teaching-learning tools. The programme was profoundly enriching, featuring eminent resource persons who imparted invaluable insights to the faculty.

The school counsellors delved upon understanding the psychology of students to ensure a safe and conducive environment for children.

Throughout the two-day INSET Programme, teachers collaborated and presented ideas on Value-Based Education and Joyful Learning using methods such as storytelling, role plays, puppetry, and various art forms, all aimed at creating happy classrooms. They also explored ways to foster critical and creative skills among students through art-integrated learning.
