### RHYME

#### Caterpillar Garden

Over in the garden, under the tree,

I saw some fuzzy caterpillars,

One, two, three.

Over in the garden, under the moon,

Each caterpillar spun, herself a cocoon.

Over in the garden, right before my eyes,

Those caterpillars all turned into butterflies!

### STORY

#### Trees and the Wild Animals

- There were two friends in a forest, a mango tree and a banyan tree.
- They talked to each other all day long.
- Every night lions and tigers came and slept under them.
- The mango tree did not like the wild animals and wanted to drive them away.
- The banyan tree said, "Don't do that. We need each other. We must live together."
- But the mango tree did not listen and shook its branches to make loud noises.

- The animals got frightened and ran away.
- The next morning two wood cutters came to the forest and saw the big mango tree.
- One of them said, "There is no wild animal here, so let's cut down this tree."
- The mango tree regretted his deed but it was too late.
- "I told you we need the animals and they need us. If we do not help each other we can get hurt," said the banyan tree.
