## ORALS

**Hug a tree!**

**Trees can bloom, trees can sway,  
Trees can feel, that's what they say!  
Trees can dance with the breeze,  
Hug them, hug them, hug them, Please!  
Just like you, Trees do grow,  
Some grow fast and some grow slow,  
Trees need love and trees need care,  
So many things they give and share!  
Hug them, hug them, everywhere.**

## STORY: - Trees and the Wild Animals

- There were two friends in a forest, a mango tree and a banyan tree.
- They talked to each other all day long.
- Every night lions and tigers came and slept under them.
- The mango tree did not like the wild animals and wanted to drive them away.
- The banyan tree said, “Don’t do that. We need each other. We must live together.”
- But the mango tree did not listen and shook its branches to make loud noises.
- The animals got frightened and ran away.
- The next morning two wood cutters came to the forest and saw the big mango tree.
- One of them said, “There is no wild animal here, so let’s cut down this tree.”
- The mango tree regretted his deed, but it was too late.
- “I told you we need the animals and they need us. If we do not help each other, we can get hurt,” said the banyan tree.
