

SHIVALIK PUBLIC SCHOOL MOHALI CELEBRATES WORLD BOOK DAY

As the world commemorates the joy and significance of literature Shivalik Public School celebrates World Book Day. A series of week-long activities are conducted in the school. World Book Day is a momentous occasion that encourages individuals of all ages to delve into the enchanting realms of storytelling, knowledge, and imagination. Our aim is not only to celebrate the wonders of literature but also to inspire a lifelong love for reading.

A Special Assembly was conducting where students were told about the significance of reading books. A special oath was also taken up by the students considering the same. A range of winsome activities throughout the week, like Book Jacket Design of your favourite book, Slogan Writing, Poster Making, encouraged students to create artwork inspired by their favourite books. Moreover, educational Classroom readings for students was also conducted in the school which provided them with an immersive and interactive experience that fostered a love for literature while enhancing their comprehension and critical thinking skills.

By incorporating these activities into their World Book Day celebration, Shivalikians created a memorable and enriching experience that inspires a love for reading and literature among students.
